M SHANKARNATH

DATA SCIENCE STUDENT | SOFTWARE & WEB DEVELOPMENT

Bengaluru, Karnataka • 6360933611 • shankarma2309@gmail.com

PROFESSIONAL SUMMARY

Computer Science and Engineering student specializing in Data Science, currently pursuing the third year of undergraduate study. Has working knowledge of Python, Java, C, SQL and front-end web technologies, with hands-on team project experience in IoT-based bus crowd monitoring and website development. Interested in applying technical skills, learning from industry teams and contributing to practical software, web and data-focused solutions.

EDUCATION

Atria Institute of Technology
B.E. – Computer Science and Engineering (Data Science)
3rd Year, 5th Semester | Expected Graduation: 2028
CGPA 7.5

Sri Chaitanya
Pre-University Course (PUC)
Score 89%

Sri Chaitanya
Secondary School (Class 10)
Score 80%

TECHNICAL SKILLS

Programming Languages	Python, Java, C
Web Technologies	HTML, CSS, JavaScript; website design and development
Database	SQL, MySQL
Python Library	Pandas
Development Tools	Visual Studio Code, GitHub

PROJECTS

Smart Bus Crowd Management System | Ongoing
• Contributing to the development of an IoT-based system designed to monitor passenger crowd levels in buses and present relevant information through a web interface.
• Working with IoT components and front-end technologies to support the project implementation.
Technologies: IoT, HTML, CSS, JavaScript.

M.E.S Convent English High School Website | Completed
• Collaborated with a team to design and develop a website for a school, focusing on its web interface and presentation of school information.
Technologies: HTML, CSS, JavaScript.

ACTIVITIES

• Participated in hackathons.
• Participated in college project expos.

CAREER INTERESTS

Data Analyst • Data Scientist • Software Developer • Web Developer
